Production Intern

Description

The production intern will work closely with and report to the Production Specialist as well as provide support for the Technology Specialist as needed.

Responsibilities

- o Weekly Sunday preparation at the Green Oaks Campus (Pro Presenter, Lighting, Stage Setup). This will involve working closely with the GO Worship Pastor, Campus Pastor and Worship Arts and Production Director to execute weekly prep based on Planning Center and weekly Sunday Planning meeting.
- o AV setup and room prep for GO campus internal and external events. This will include regular weekly events during office hours as well special events as needed (example: funerals, weddings, community or ministry events)
- o Present and available for all Sunday morning services to assist with all ministries production, AV and tech trouble shooting needs
- o Weekly hours to participate in campus and Rush Creek staff events, technology projects, AV and production projects, training and support as needed

Qualifications

Knowledge of the following a plus:

- o Planning Center
- o ProPresenter
- o Lighting consoles
- o Staging
- o Audio Engineering
