

RUSH CREEK FAMILIES,

We are so thankful that your family is part of Rush Creek, and we want to help you become: Forerunners of the faith, united to help people find and follow Jesus. Our goal through out the Rise Up series and initiative is that your child learns to live a life of generosity. We want kids to see how living generously can impact those around them.

On the other side of this card, you will see a Preschool Activity and a Grade School Activity to complete with your child. The key verse we will be reviewing each week is Nehemiah 2:18b: *"They said, 'Let's start rebuilding,' and their hands were strengthened to do this good work."*

We encourage you and your kids to pray and ask God what way(s) He wants your family to participate during this season. We would love for your family to be a part of it all. If you have any questions or need more clarification, feel free to email rickids@rushcreek.org.

October 16-22: Complete a lesson in your Adventure Guide.

October 23-29: Put others first! Review the list below and help your child pick one way they can reach out to others around them.

- In your neighborhood- pick up trash, bake cookies or take leaves for a neighbor
- At your school- let others go ahead of you in line instead of wanting to be first, help a classmate, include someone who is left out
- In your home- do one of your chores before you are reminded, take out all the garbage in the house, share with a sibling, tell someone how much they mean to you

October 30-November 4: Ask someone how you can pray for them and then pray with them.

November 5-12: Memorize Nehemiah 2:18b. "They said, 'Let's start rebuilding,' and their hands were strengthened to do this good work."
